

AI, Data & Cognitive Computing

AI & Cognitive Computing

- NLP Solutions
- Speech Recognition
- Computer Vision
- Predictive Analytics
- Prescriptive Analytics
- Recommendation Systems
- AI Governance

Data Science & Big Data

- ML Model Development
- ML Ops
- Data Lake Engineering
- Big Data Pipelines

Generative AI & Agentic AI

- Agentic AI Systems
- Multi-Agent AI Workflows
- Enterprise AI Automation

Cloud, DevOps & Managed Services

Cloud Infrastructure

- AWS/Azure/GCP Architecture
- Cloud Migration
- Hybrid/Multi-cloud Solutions
- Cloud Security

Managed Cloud Services

- 24/7 CloudOps Monitoring
- Cloud Optimization

Managed Infrastructure Services

- Network Management
- Managed Infra Services

Cloud Modernization

- DevOps CI/CD
- Kubernetes
- IaC (Terraform/Pulumi)

Digital Engineering & Application Modernization

Application Modernization

- Legacy Modernization
- Microservices Migration
- Re-platforming
- API Modernization

Digital Product Engineering

- Full Stack Development
- Mobile Development
- Prototyping

Engineering R&D;

- Engineering R&D;
- Hardware-Software Co-Design

Platform Modernization

- Modernization Blueprints
- Platform Rebuilds

Cloud-Native Platform & Enterprise Integration

Enterprise Platform Integration

- iPaaS Integration
- ESB Integration

API & Microservices Engineering

- API Development
- Microservices Architecture

Event-Driven System Design

- Kafka Streaming
- Data Sync

Cybersecurity & Trust

IT Security Services

- Penetration Testing
- Vulnerability Assessment

Cyber Engineering

- Zero Trust Architecture
- Cloud Security

Identity & Compliance

- IAM
- GRC Compliance

Digital Transformation & Process Automation

Digital Transformation Advisory

- Digital Strategy
- Business Digitization

Digital Process Automation

- RPA
- Workflow Automation

Business Process Optimization

- Process Re-engineering
- Intelligent OCR

IoT, Industry 4.0 & Embedded

Industrial IoT Engineering

- IoT Platforms
- Smart Manufacturing

Connected Devices

- Sensor Integration
- Edge Computing

Embedded Design Services

- Firmware Engineering
- Device Engineering

Blockchain & Web3

Blockchain Services

- Blockchain Consulting

Smart Contracts & dApps

- Smart Contracts
- dApps

Web3 Integration

- Wallet Development
- Web3 Payments

Cloud Platforms & Enterprise SaaS

AWS Services

- AWS Cloud Suite

Microsoft Services

- Azure Cloud
- Dynamics 365

Pimcore

- PIM/MDM Solutions

Salesforce

- Salesforce CRM

ServiceNow

- ITSM/ITOM

Global Capability Centers (GCC)

GCC Setup & Scale

- GCC Setup
- Scale Operations

Centers of Excellence

- Talent Pods
- Specialized CoEs

Build–Operate–Transfer (BOT)

- BOT Establishment
- Full Handover

Digital Experience & Commerce

Digital Experience Engineering

- UX/UI Design
- Omnichannel Experience

Product Experience Platforms

- Product Experience Design

Digital Commerce

- Enterprise Commerce

Digital Marketing, Branding & Experience

Digital Marketing Services

- SEO
- SEM
- Social Media

Brand Strategy & Identity

- Brand Identity
- Brand Strategy

Experience Design & CX

- CX Journey Mapping
- Omnichannel Campaigns

Content, Social & Growth Marketing

- Content Production
- Email Automation

Quality Engineering & Automation

Manual & Functional Testing

- Manual Testing
- Regression Testing

Automation Testing

- UI Automation
- API Automation

Performance & Security Testing

- Performance Testing
- Security Testing

Quality Strategy & Engineering

- Test Strategy
- QA COE Setup

Sustainability, ESG & Green IT

ESG Strategy & Reporting

- ESG Audits
- ESG Reporting

Green Cloud & Carbon Optimization

- Green Cloud Optimization
- Sustainable Data Centers

Sustainability Engineering & Compliance

- LCA
- Sustainability Dashboards

Game Development & Immersive Media

Game Development

- Mobile Game Dev
- PC/Console Game Dev

XR/AR/VR Engineering

- AR Apps
- VR Apps

Immersive Experience Design

- Metaverse Experiences
- Immersive UX

Game Art, Cinematics & Assets

- 3D Assets
- Animation
